

**TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE**

**FISCAL NOTE**

**HB 3137 - SB 3063**

January 31, 2012

**SUMMARY OF BILL:** Requires the Department of Transportation (TDOT) to grant 40 days, rather than 30 days, from the notice of violation, to an owner of an unlawful outdoor advertising to take remedial action prior to removing the sign.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumptions:

- Increasing the number of days that an owner of an unlawful outdoor advertising has to remedy the violation will not have a significant regulatory or fiscal impact on TDOT.
- Under current law, the Commissioner of TDOT is authorized to extend the 30-day period for remedial action for up to an additional 150 days, so long as all advertising content is removed from the unlawful sign within the 30-day period.
